2025 Martin Luther King, Jr. Celebration

Dear Friends,

Welcome back as we move toward 2025!

Thank you for your generosity and continued support for the annual Dr. Martin Luther King celebration.

Every January, thousands of people with diverse backgrounds march from West Third Street to downtown Dayton to honor the memory and advance the progress of clergyman, African American civil rights activist, and Nobel Peace Prize winner Dr. Martin Luther King Jr.

The month-long celebration features events such as an interfaith worship service, Emancipation Proclamation, youth celebration, workshop, musical, march, and banquet.

"**A Charge to Keep I Have**" is the theme for this year's event and the evening banquet will feature an electric address by Dr. Rodney Kennedy, Baton Rouge, Louisiana, a prolific writer, highly accomplished author, activist who is committed to civil rights and social justice.

While great progress has been made in the Dayton area and across the country, there is still much to do for civil and human rights. MLK Dayton, Inc. is committed to making Dr. King's dream a reality. We ask that you join us in creating celebration and change in our community,
